PROFESSIONAL SUMMARY

Freelance Full Stack Developer with 2+ years of experience delivering production-grade web applications for fintech and enterprise clients. I help businesses build fast, scalable, and well-integrated platforms — from backend APIs and database architecture to responsive front-end interfaces. Specialist in **PHP (Laravel, CodeIgniter)**, **React**, **MySQL**, and **REST API integrations**. Known for clean code, on-time delivery, and up to **80% performance improvements** through smart database optimization.

TECHNICAL SKILLS

Backend	PHP, Laravel, CodeIgniter, RESTful APIs, API Integration, Database Design, Query Optimization
Frontend	React, JavaScript, jQuery, Bootstrap, Tailwind CSS, Responsive Web Design
Tools & Workflow	MySQL, Git, Postman, cPanel, API Testing, System Deployment, Performance Optimization

PROFESSIONAL EXPERIENCE

PHP Full Stack Developer May 2024 – Present
Netplex IT Solutions, Dubai, UAE

- Developed **PlexPay fintech platform** using PHP (CodeIgniter), React, and MySQL — supporting mobile recharges, bill payments, and voucher services.
- Built **ISL Laboratory Management ERP** using Laravel and React, enabling role-based access across departments.
- Integrated multiple third-party APIs for payment processing and reporting with robust error handling.
- Improved system performance by **80%** through query optimization, indexing, and caching.
- Managed full deployment lifecycle: server config, database setup, and post-launch support.

PROJECTS

PlexPay Fintech Platform PHP · CodeIgniter · React · MySQL · REST APIs

- Full stack fintech app handling recharges, bill payments, and voucher services at scale.
- Secure payment API integrations with real-time transaction tracking and reporting dashboards.

ISL Laboratory Management System Laravel · React · MySQL · RBAC

- ERP for sample tracking, testing workflows, and automated report generation.
- Implemented RBAC and achieved **80% database performance improvement** via query optimization.

Portfolio Website React · JavaScript · Web3Forms API

- Responsive portfolio with integrated contact form API and smooth user experience.
